His Journey Has Just Begun

By Ellen Brenneman

*Don't think of him as gone away
His journey's just begun,
Life holds so many facets
This earth is only one.*

*Just think of him as resting
From the sorrows and the tears,
In a place of warmth and comfort
Where there are no days and years.*

*Think how he must be wishing
That we could know today,
How nothing but our sadness
Can really pass away.*

*And think of him as living
In the hearts of those he touched
For nothing loved is ever lost
And he was loved so much.*
